Type of Service	Electricity
Utility Name	Your electric utility is National Grid – Rhode Island. You may contact your utility as listed in the Terms of Service. Your utility will remain responsible for the delivery of power to your home and will continue to respond to any service calls and emergencies. Switching to NAP will not impact the reliability of your electric service.
Price	10.64¢ per kWh for 14 billing cycles This price excludes utility-related charges and taxes. Customer Start Date will be on the first meter read date after Customer’s Local Utility successfully enrolls or switches Customer’s account. The Expiration Date will be determined by both the start date as described above and the term of the plan described below. After the Initial Term , the price plan will convert to a Variable rate. There is no cap on the Customer’s Variable rate. Variable rates may increase or decrease on a monthly basis at NAP’s discretion.
Initial Term	The initial term of this Agreement will be 14 Billing Cycles . (“Initial Term”); thereafter unless otherwise agreed to, the term shall be a Variable month-to-month as described below in the How Variable Price is Determined for Month-to-Month Contract Continuation section. Customer may provide written notice of cancellation or call NAP’s Customer Service as outlined in the Contact Information section of this Agreement at least thirty (30) calendar days prior to the end of the contract term (see Agreement for further details).
Rescission	Customer may rescind this Agreement within 3 business days from the date of personal, electronic delivery or from the postmarked date when this Agreement is delivered via the United States Postal Service. To cancel or rescind this Agreement, please call us at: (888) 313-9086; or e-mail us at: customer@napower.com ; or write to us at: 20 Glover Avenue, Norwalk, CT 06850.
Early Termination Fee	If the Customer terminates this Agreement prior to the expiration date of the contract term, the Customer will be charged an early termination fee of ten dollars (\$10.00) per month for each month remaining on the Agreement, but will not exceed one hundred dollars (\$100).
Late Payment Fee	1.5% per month and/or in accordance with the local distribution utility’s billing policies and procedures, whichever is greater.
Other Fees	National Grid customers receiving Standard Offer Service under the Fixed Price Option who leave National Grid for a competitive supplier, like NAP, will be subject to a National Grid billing adjustment. This National Grid billing adjustment will appear on your last bill from the utility, and may be a credit or a charge to your Standard Offer Service bill, depending on National Grid rates at the time. NAP is not responsible for the National Grid’s Standard Offer Service Billing Adjustment and does not receive these charges. For more information, please contact National Grid and/or the DPUC as contained in the Agreement.
Renewal	Upon completion of any initial/promotional term, this Agreement will automatically renew on a month-to-month basis, with no early termination fee, on the same terms, except for rate, which will be the current available variable rate.
How Variable Price is Determined for Month-to-Month Contract Continuation	Other than fixed and/or introductory/promotional rates, all rates shall be calculated in response to market pricing, transportation, profit and other market price factors, plus all applicable taxes.
Conditions under which savings to the customer are guaranteed	No savings are guaranteed.
