

**NORTH AMERICAN POWER (“NAP”) TERMS OF SERVICE (the “Agreement”)**  
**20 Glover Avenue, Norwalk, Connecticut 06850**

**Contract Summary Disclosure Statement**

<b>Utility</b>	<b>Unitil</b>
<b>Type of Service</b>	Electricity
<b>Price</b>	The current rate is 10.99 cents per kWh. Rate applies to all electricity supplied during Initial Term and does not vary based on usage amount during the Initial Term or any Fixed Price or Variable Price Renewal Term. This price excludes all other costs, including, but not limited to the price of transmission and distribution, the system benefits fund, stranded cost recovery charge, any utility-related charges and taxes.
<b>Start Date</b>	This Agreement shall begin on the date your Competitive Electric Supplier is changed to North American Power and Gas, LLC by your Local Utility, after the end of any rescission period.
<b>Term</b>	Fixed Term Agreement. The Initial Term of this Fixed Term Agreement will begin on the Start Date as determined by your Local Utility, and will end on your <b><u>first meter read date in January 2016</u></b> ; thereafter, unless otherwise agreed to, the Agreement will continue under a month-to-month Variable Rate until cancelled by Customer or North American Power in accordance with the terms of this Agreement.
<b>Rescission</b>	Customer has the right to rescind this Agreement without fees or penalties of any kind (a) within 3 business days from the date of personal or electronic delivery of this Agreement and Welcome Letter, or (b) within 5 business days from the postmarked date when this Agreement is delivered via the United States Postal Service. Customer should contact NAP at its contact information listed in Section 13 of the Agreement.
<b>Early Termination Fee</b>	If Customer wishes to terminate this Agreement during the Initial Term or any subsequent Fixed Price Renewal Term after the applicable rescission period, the Customer will pay an early termination fee of ten dollars (\$10.00) per month for each month remaining on the Agreement. There is no early termination or cancellation fees for Customers on Variable Rates or contracts with rates fixed for three (3) or fewer months.
<b>Renewal</b>	Upon completion of any initial term or any subsequent Renewal Term after the applicable rescission period above, this Agreement will continue on a month-to-month term basis at NAP’s then current variable rate until it is cancelled by either Customer or North American Power in accordance with the terms of this Agreement.
