### Third Party Supplier Contract Summary

<p>Third Party Supplier information:  <b>By entering this contract, you are agreeing to purchase your electric supply from this supplier.</b></p>	<p>North American Power and Gas, LLC (“NAPG”)  Phone: 888-313-9086; Email: <a href="mailto:customercare@napower.com">customercare@napower.com</a>; Website: <a href="http://napcustomer.com">napcustomer.com</a>;  Mailing Address: 1500 Rankin Road, Ste. 200, Houston, TX 77073  NJ License Number: ESL-0104  NAPG sets and is responsible for the generation supply prices and charges that you pay.</p>
<p>Price Structure</p>	<p><b>Fixed at 17.34¢/kWh for 12 billing cycles (“Fixed Price Period”).</b>  After the Fixed Price Period, the price will automatically change to a monthly Variable Price, which will be posted on your monthly bills from your Electric Distribution Company (“EDC”). There is no cap on your Variable Price.  Unlike Fixed Prices, which normally do not change during the Fixed Price Period, Variable Prices are determined by NAP for each month at its sole discretion based on business and market conditions including, but not limited to, the costs incurred by NAP to procure electricity to serve your account, transportation costs, balancing fees, storage charges, losses, administrative costs, costs to acquire, marketing costs, profit, applicable taxes, and other business and market considerations. Variable Prices for electricity may increase when the weather is very hot or cold, and may be higher or lower than your EDC’s rates.</p>
<p>Generation/Supply Price</p>	<p>17.34¢/kWh for 12 billing cycles.</p>
<p>Statement Regarding Savings</p>	<p>Savings are not guaranteed.</p>
<p>Amount of time required to change from TPS back to default service or to another TPS</p>	<p>Depending on your meter read date and your EDC’s switching policies, it may take 1-2 billing cycles before a change request is reflected on your bill.</p>
<p>Incentives</p>	<p>Understandabill is a home energy report delivered via email that provides insights into how your home may use energy and what you can do to use less energy. Reports are created based on the completion of an individual customer survey and available data points from your home. Conditions apply, please see the FAQs at <a href="http://www.napower.com/understandabill">www.napower.com/understandabill</a> for full details or call to request more details.</p>
<p>Right to Cancel/Rescind</p>	<p>Residential customers will have 7 calendar days from the date of the EDC confirmation notice to contact your EDC and cancel this contract (“Rescission Period”).</p>
<p>Contract Start Date</p>	<p>This Agreement will begin based on when the EDC deems the switch effective.</p>
<p>Contract Term/Length</p>	<p>The Fixed Price Period will end 12 months after the Contract Start Date as described above (“Fixed Price Period End Date”), subject to the automatic renewal described in this Customer Summary and the attached Terms and Conditions.</p>
<p>Cancellation/Early Termination Fees</p>	<p>Yes. If you terminate this Agreement during the Fixed Price Period (in the case of residential customers, after the Rescission Period) NAP will have the right to charge you an early termination cost recovery fee. Such fee will be \$10.00 per month for each month remaining in the Fixed Price Period.</p>
<p>Renewal Terms</p>	<p>Upon completion of the Fixed Price Period, unless otherwise agreed, this Agreement will automatically renew at a Variable Price on a month-to-month basis, until it is cancelled either by the Customer or NAP in accordance with the terms of this Agreement. NAP will send written notice to you prior to the end of the Fixed Price Period. There are no early termination fees if you terminate while on NAP’s Variable Price.</p>
