NAP is registered with the Division of Public Utilities and Carriers ("DPUC") to offer electricity supply as a Non-Regulated Power Producer. NAP and its vendors do not represent or act on behalf of any electric utility, governmental bodies or consumer groups.
<b>Type of Service</b>	Electricity
<b>Utility Name</b>	Your electric utility is National Grid Electric ("Local Utility"). You may contact your Local Utility as listed in the Terms of Service. Your Local Utility will remain responsible for the delivery of power to your home and will continue to respond to any service calls and emergencies. Switching to NAP will not impact the reliability of your electric service.
<b>Fixed Price</b>	<b>11.89¢ per kWh.</b> This price excludes utility-related charges and taxes. Customer <b>Start Date</b> will be on the next billing cycle after your Local Utility successfully enrolls or switches Customer's account. The <b>Expiration Date</b> will be determined by both the start date as described above and the term of the plan described below. <b>After the Fixed Price Period</b> , the price plan will convert to a Variable Price. There is no cap on your Variable Price. Variable Prices may increase or decrease on a monthly basis at NAP's sole discretion.
<b>Fixed Price Period</b>	The Fixed Price Period of this Agreement will be <b>12 Billing Cycles</b> ("Fixed Price Period"); thereafter, unless otherwise agreed to, the term shall be a Variable month-to-month as described below in the " <b>How Variable Price is Determined for Month-to-Month Contract Continuation</b> " section. <b>You may provide written notice of cancellation or call NAP's Customer Service as outlined in the Contact Information section of this Agreement at least 30 calendar days prior to the end of the Fixed Price Period (see Agreement for further details).</b>
<b>Rescission (Right to Cancel)</b>	You may rescind this Agreement within 3 days from the date of personal, electronic delivery or from the postmarked date when this Agreement is delivered via U.S. Mail. To cancel or rescind this Agreement, please call us at: (888) 313-9086; or e-mail us at: <a href="mailto:customercare@napower.com">customercare@napower.com</a> ; or write to us at: 1500 Rankin Road, Ste. 200, Houston, TX 77073.
<b>Early Termination Fee</b>	<b>If you terminate this Agreement after the rescission period and prior to the expiration date of the Fixed Price Period, you will be charged an early termination fee of \$10.00 per month for each month remaining in the Fixed Price Period; provided that the ETF will not exceed \$50.00.</b>
<b>Late Payment Fee</b>	1.5% per month and/or in accordance with the Local Utility's billing policies and procedures, whichever is greater.
<b>Other Fees</b>	Though we are required to inform you that National Grid customers receiving Standard Offer Service under the Fixed Price Option who leave National Grid for a competitive supplier, like NAP, may be subject to a National Grid billing adjustment, as of July 2015 National Grid has discontinued such a billing adjustment. This National Grid billing adjustment would have appeared on a customer's last bill from the utility, and would have been a credit or a charge to their Standard Offer Service bill, depending on National Grid rates at the time. NAP would not be responsible for the National Grid's Standard Offer Service Billing Adjustment and would not receive these charges. For more information, please contact National Grid and/or the DPUC as contained in the Agreement.
<b>Renewal</b>	Upon completion of the Fixed Price Period, this Agreement will automatically renew on a month-to-month basis, with no early termination fee, on the same terms, except for pricing, until it is cancelled either by you or NAP in accordance with the terms of this Agreement. Each month during the renewal period, your service will continue at the then-available Variable Price, subject to change each month as described below.
<b>How Variable Price is Determined for Month-to-Month Contract Continuation</b>	The Variable Price will be determined by NAP for each month at its sole discretion based on business and market conditions, including but not limited to, the costs incurred by NAP to procure energy to serve your account, transportation costs, balancing fees, capacity charges, line losses, ancillary service fees, alternative and renewable energy requirements, storage charges, administrative costs, costs to acquire, marketing costs, profit, applicable taxes, and other business and market considerations. You can contact NAP at any time by phone to find out your current Variable Price.
<b>Conditions under which savings to the customer are guaranteed</b>	No savings are guaranteed.
