

North American Power and Gas, LLC
Electric Generation Supplier Contract Summary

Electric Generation Supplier Information	North American Power & Gas, LLC (NAPG) 888.313.9086 www.napower.com NAPG sets and is responsible for the generation supply prices and charges that you pay.
Price Structure	FIXED RATE. Rate excludes state and local taxes, utility distribution charges and any applicable fees/charges. After the Initial Term, the price is a monthly variable rate, which will be posted on the Customer's monthly bills from the Customer's Local Utility. There is no cap on the Customer's variable rate.
Generation/Supply Price	5.69¢ per kWh for 6 months.
Statement Regarding Savings	Savings are not guaranteed.
Deposit Requirements	None.
Incentives	Understandabill is a new home energy report delivered via email that provides insights into how your home uses energy and what you can do to use less based on the completion of an individual customer survey and available data points on your home. Conditions apply, please see the FAQs at www.napower.com/understandabill for full details.
Contract Start Date	Customer start date is based on when the Local Utility deems the switch effective.
Contract Term/Length	Fixed 6 months.
Cancellation/Early Termination Fees	None.
Renewal Terms	Upon completion of the fixed contract term, this Agreement will automatically continue at a variable rate on a month-to-month basis at the same terms, until it is cancelled either by the customer or NAPG in accordance with the terms of this Agreement. NAPG will send two separate written notices to the Customer prior to the expiration of the Agreement. The first notice will be provided between 45 to 60 days prior to contract expiration and the second notice will be sent at least 30 days prior to contract expiration. Customers will continue on the then currently offered variable rate offered by NAPG. There are no early termination fees if the Customer continues on NAPG's variable rate product.
Electric Distribution Company Information	Met-Ed www.firstenergycorp.com 1-800-545-7741 Customer's Local Utility is responsible for distribution charges, as well as handling any emergencies and/or outages.
